Good Morning,

This is a general email confirming that you have been officially checked into your housing assignment for the spring 2024 term.

Please note if you did not physically stop by the office to be checked in per my email yesterday, then your Resident/Community Assistant has accounted for you and checked you in accordingly.

If you still do not have a spring 2024 building sticker, then stop by the office during normal business hours next week to get one.

If you already have a building sticker then there is nothing else you need to do at this time.

Thank you and have a wonderful weekend!

Best,
