Dear Hiring Manager,

I am writing to express my strong interest in the Data Science Intern position at Lockheed Martin. As a highly motivated and analytical individual with a strong background in data science, I am confident that I would be a valuable addition to your team.

I am currently pursuing a degree in Computer Science with a concentration in Data Science at New Jersey Institute of Technology. In my coursework, I have gained a strong foundation in machine learning, data analysis, and statistical modeling, and have applied these skills through various projects and internships. In particular, I have completed a Practicum at Gujarat(India) Police Crime Branch and have also worked with a Media Company-IndiaDotCom Pvt Ltd, where I worked on many projects that involved analyzing and visualizing large datasets to identify patterns and trends.And have an experience with unstructured-data(images and text) too. This experience allowed me to develop strong problem-solving and communication skills, as well as the ability to work effectively in a team.

I am excited about the opportunity to apply my skills and knowledge to real-world challenges at Lockheed Martin. I believe that my strong technical skills, attention to detail, and passion for data science make me an ideal candidate for this internship. I am eager to learn and contribute to the success of your team, and I believe that this internship would provide me with a valuable opportunity to grow both personally and professionally.

Thank you for considering my application. I look forward to discussing my qualifications further and how I can contribute to the success of Lockheed Martin.

Sincerely,
Mantavya Soni
